DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner of Patents and Trademarks

Non-Responsive Amendment (Bonafide)

The reply dated 4/20/2004 is not fully responsive to the prior Office action because of the following omission(s) or matter(s):

Applicants did not properly indicate which of the claims are readable upon the elected species in accordance with MPEP § 809.02(a). For example, Applicants state that claims "1-8, 11-24, and 28-34" read on the elected species (see 4/20/2004 Response, page 4, last line). However, claim 8 is drawn to a compound with formula I and claim 11 is drawn to a compound with formula IV. It is not clear to the examiner how Applicants' single elected compound can read on two different structures. Applicants are requested to correct and/or clarify.

The examiner also notes that the appropriate fees must be paid to extend the time period for response.

Since the above-mentioned reply appears to be bona fide, applicant is given ONE(1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication should be directed to Examiner Jon D. Epperson, Ph. D., Art Unit 1639, whose telephone number is (571) 272-0808.

Any inquiry of a general nature or relating to the status of this application should be directed to the Technology Center receptionist whose telephone number is (571) 272-1600.
